

### **The Margaret ‘Peggi’ Leoni Memorial Fund**

The Margaret ‘Peggi’ Leoni Memorial Fund has been established in honor of Peggi Leoni, who passed away unexpectedly on March 28, 2018. The Memorial Fund will be administered by the Massachusetts Senior Care Foundation (a 501(c)(3) charitable organization) and proceeds will be used to promote two of Peggi’s professional passions, leadership and quality in long term care facilities throughout Massachusetts.

A valued colleague and friend to many in the long-term care community, Peggi previously served as the Vice President of Regulatory Affairs at Mass Senior Care Association from 2005-2011. She later accepted a position with the Federal Government-Centers for Medicare and Medicaid Services, working as a contractor enforcement specialist with the Division of Nursing Homes. In addition, Peggi generously shared her invaluable expertise as a presenter and educator at Mass Senior Care’s regulatory compliance and leadership training programs. Peggi’s passion, knowledge and commitment to quality nursing home care will be sorely missed by all who were fortunate to have known her. Through this memorial fund, the Mass Senior Care Foundation is proud to carry on Peggi’s legacy of leadership and caring.

Donations should be made payable to the Massachusetts Senior Care Foundation and mailed to:

Massachusetts Senior Care Foundation  
800 South Street  
Suite 280  
Waltham, MA 02453

Credit card donations can be made by calling the Mass Senior Care office at 617-558-0202.
